

GUEST USER MANUAL – HOT TUB

Villa Amalia – Wellness, Safety and Elegance

1. Introduction

Welcome to Villa Amalia. Our hot tub is designed to offer you a moment of true relaxation.

To ensure safety, hygiene and a pleasant experience for all guests, please read the following instructions carefully.

2. Safety Rules

2.1 Supervision of Children

- Children are only allowed in the hot tub under constant adult supervision.

2.2 Health Conditions

- Individuals with heart disease, low or high blood pressure, epilepsy, fever, or any other health issues should consult a physician before use.
- Hot tub use is not recommended for pregnant women or those under the influence of alcohol or drugs.

2.3 Behavior Guidelines

- No running, jumping, or diving in or around the hot tub.
- Do not bring glass containers, sharp objects, or fragile items near the tub.
- Avoid shouting or loud behavior to maintain a peaceful atmosphere.

3. Before Entering the Hot Tub

3.1 Showering Required

- All guests must take a full shower with soap before entering the tub. This removes sweat, sunscreen, oils, and other residues and helps keep the water clean.

3.2 Swimwear

- Only clean bathing suits are allowed.
- Do not wear clothes not intended for use in water (e.g. cotton t-shirts, underwear).

3.3 Personal Items

- Remove all jewelry, watches, and accessories before use.
- Long hair should be tied back to avoid clogging the jets.

4. While Using the Hot Tub

4.1 Maximum Capacity

- The hot tub can accommodate up to 7 people. Do not exceed this limit.

4.2 Recommended Session Duration

- Limit each session to 20-30 minutes to avoid fatigue or overheating.

4.3 Temperature Settings

- The water temperature is set between 36C and 38C (96.8F to 100.4F).
- Please do not modify the temperature or settings.

4.4 Control Panel Use

- Use the control buttons gently. Do not force any of the mechanisms.
- If you are unsure how to use the controls, please ask the staff.

5. After Using the Hot Tub

- Exit slowly and safely. Be cautious of slippery surfaces.
- Dry off using a personal towel.
- Close the thermal cover to preserve heat and avoid contamination.
- Do not leave any towels, bottles, or personal items behind.

6. Maintenance and Responsibility

- The water quality is checked daily and treated with professional-grade disinfectants.
- Guests are required to respect all usage rules.
- Any damage caused by misuse will be the responsibility of the guest.
